

LEARN TO SAIL

Congratulations on your interest to learn to sail at Port Moresby's RPYC

The RPYC Sailing Division offers basic keelboat sailing courses. We conduct the training aboard our own 24-foot keelboat sailing sloops in addition to similar sized members boats. Completion of our Basic Sailing Course results in a PNGYBA qualification and participation in club events.

The Basic Sailing Course is conducted over 3 weekends (half days) and has a theory component as well as 2 practical On-The-Water (OTW) sessions. Typically, a class has about 15 students, with three or four students and one instructor per boat. The cost for these classes includes the instruction, reference book, morning tea, end of course BBQ and PNGYBA certificate.

Upon successful completion of the course, you will have the basic sailing skills necessary to safely crew on a small keelboat in designated, inshore waters, during moderate weather conditions. Additionally, upon the recommendation of the course senior sailing instructor and approval of the Sail Captain, you will be qualified to check-out one of RPYC's keelboats for personal, daytime use in Fairfax Harbour.

The Basic Sailing Courses are our most popular events and usually sell out very quickly. Make your reservations today so that you don't miss out! Email sailingdivisionrpyc@gmail.com to register for a class.
