<b>Insurer</b>	Marsh		

### Additional Information

Lady Ness is an easy drive, reliable twin Ford Bowman engines, trolling, game fishing, Island hopping and live aboard boat. She has been a live-aboard home and weekender pleasure craft, registered in PNG since voyaging by sea from Cairns to Port Moresby in late 2013. She is berthed at the Royal Papua Yacht Club (A48). Lady Ness is designed for offshore voyages where conditions are up to and including wind force 8 and where significant wave heights up to and including 4 metres may be experienced. Transfer to Australia can be organized.
